

Bioengineering 208: Magnetic Resonance Imaging Laboratory  
Winter 2007

## **Schedule Changes**

Lectures:

1/15 and 2/19 are UCSD holidays

Lectures are moved to :1/16 from 1-2 and 2/20 from 1-2

Labs:

Our regular time slots are not available on some of the lab days and are rescheduled as follows:

1/9 and 1/11: 3T scanner is down for upgrades, we will meet at the 7T scanner from 3:00-4:50 on those days  
(both groups, no 6:00-7:50 labs on those days)

1/30: Lab is moved to 4:00-5:30 on 3T East
